## *School Board*

The Springfield Township School Board has had an unusually active year. We have been able to see the completion of a nine room addition to the Scenic Hills Elementary School. We have seen the start and considerable progress made in the construction of a new high school. The Board has also started planning of an additional elementary school to be located in the Southwestern portion of the community.

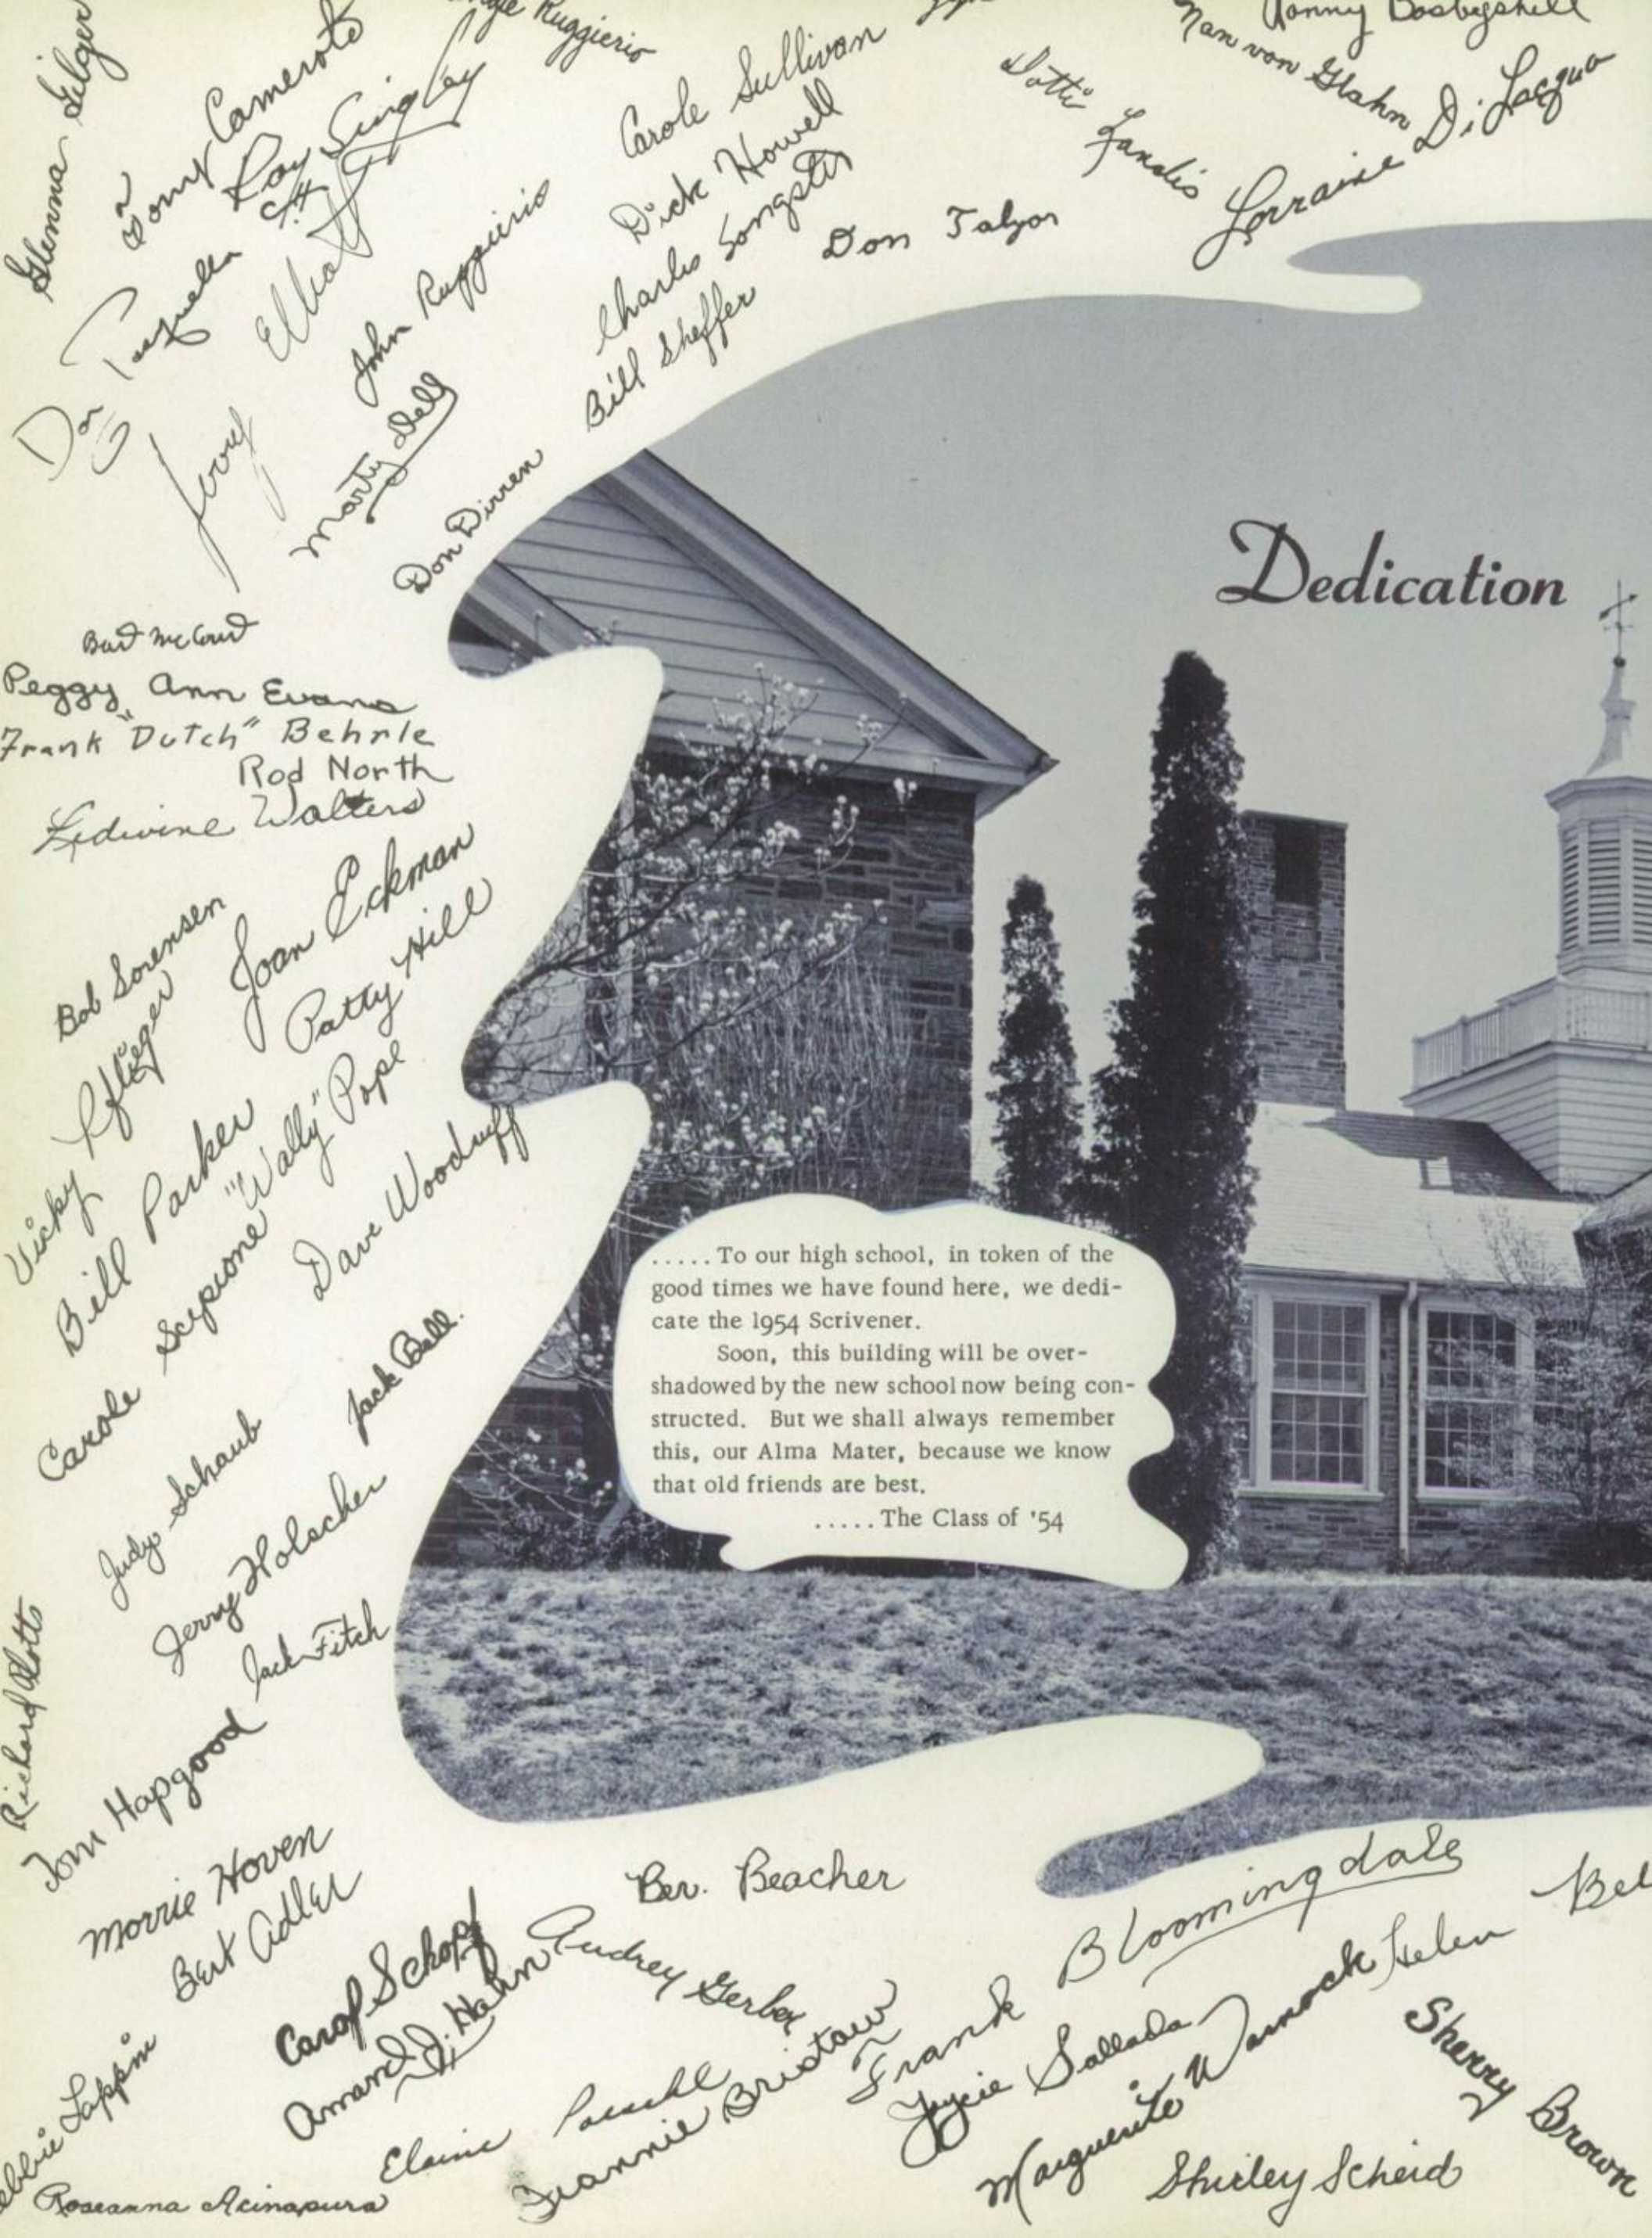

The Board has followed with keen interest the educational growth of the school population. While you are increasing in numbers to the point where it was necessary to inaugurate double sessions in the secondary school this year, we are pleased to observe that this has worked no apparent hardship academically.

We are extremely proud of our Senior Class and take this opportunity to wish them every possible success.

Best wishes,

Russell E. Hoehl,  
President

## Dedication

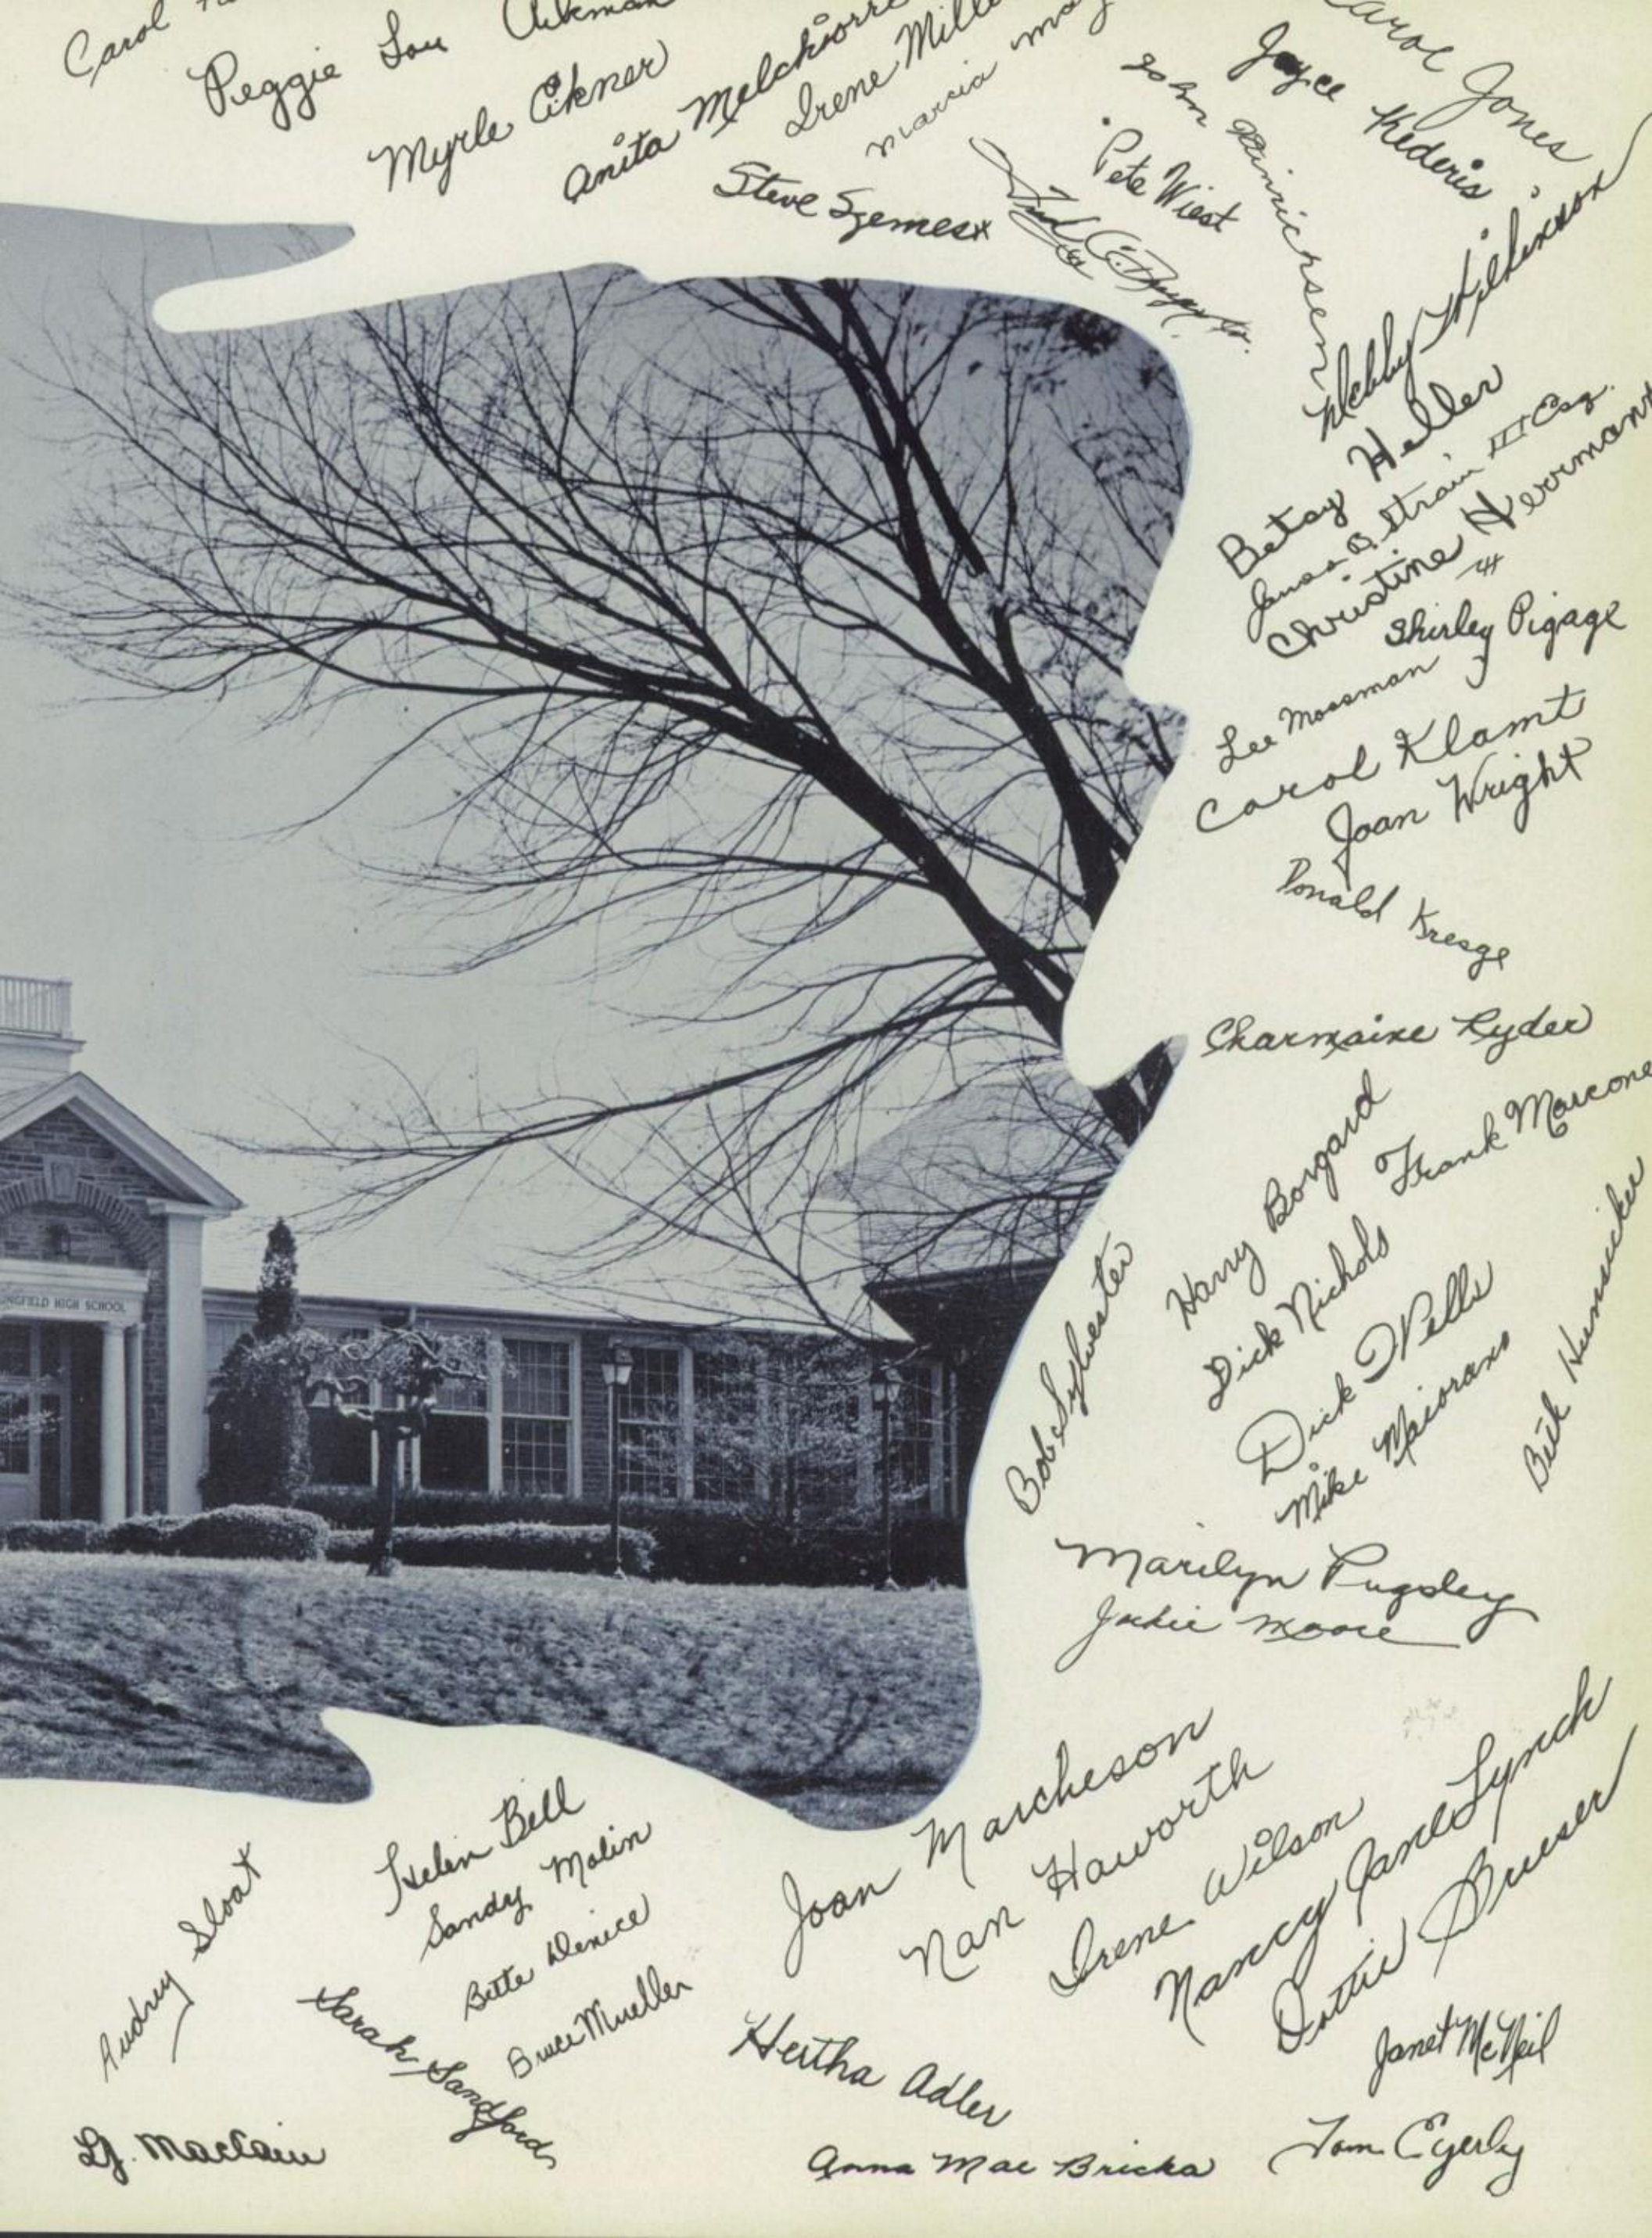

..... To our high school, in token of the good times we have found here, we dedicate the 1954 Scrivener.

Soon, this building will be overshadowed by the new school now being constructed. But we shall always remember this, our Alma Mater, because we know that old friends are best.

# *Superintendent's Message*

When enough men and women throughout the world learn to live well together, ways can and will be found to move away from the brink of disaster created by our present scientific and atomic knowledge. Each of you should get clearly in mind the importance of your life in this confused world.

Perhaps these lines will help you understand the message I wish to convey:

Is anyone happier because you  
passed their way?

Is anyone glad because you lived  
today?

Your high school days are over,  
preparation time is through,  
Will others be benefitted, or will  
it be only you?

As you go through the years, will  
they be well or poorly spent?

Will you be remembered for your  
kindness, or for discontent?

And when you close your final  
books to move onto God's stage

Will people say, "There was a man  
big enough for the Atomic Age!"

Best wishes for your success and  
happiness,

J. Leonard Halderman  
Superintendent

## *Class Advisers*

Mr. James W. Weaver and Miss Margaret G. Graham, Advisers.

"Our deepest appreciation, always, for your guidance and help during our stay at Springfield High School. . . . Class of '54

# Remember When ?

REMEMBER WHEN we had our first class meeting? It was on October 4, 1951. First we had to practice on "How to Conduct a Meeting", then we elected Larry Sault as President; Dave Woodruff, Vice-President; Marilyn Pugsley, Secretary; and Morrie Hoven, Treasurer.

THE FIRST big event we undertook was our Soph Hop. On March 6 we held a meeting to get the plans underway. Our theme was "Sakura Toki", or Cherry Blossom Time. Our gym on May 2, 1952, was in its glory, dressed in blush pink and nile green. We had a genuine, sparkling goldfish pond and a Japanese pagoda garnished with fresh flowers. We all thought our Soph Hop was the best. Of course we had the usual Thanksgiving, Christmas, and Turnabout Dances.

THEN REMEMBER our Junior year, when we elected Morrie Hoven, President; Dave Woodruff, Vice-President; Joan Marcheson, Secretary; and Herbie Kerns, Treasurer?

WE TOOK in \$2469.36 on the annual magazine sale. The highest salesman was Judy Schaub, and she was awarded a radio. Then Student Council sponsored the Thanksgiving Dance, and the Christmas Dance, which we all will remember as our last one in this school. Of course, we shall always remember our Turnabout Dance, and the girls' mad rush for the guys. Then we started planning the Junior-Senior Prom. It was held at the Bala Golf Club, Bala Cynwood, on June 5, 1953. That night we sentimentally looked forward to our Senior Year.

THEN CAME the realization that at last we were Seniors! With our new, thrilling half-sessions, we enjoyed coming to school. We elected officers again; Morrie Hoven came back as our able President, and Don Dirren was our Vice-President; Secretary was Sarah Sandford, and Treasurer, Jimmy Strain.

WE ALL immensely enjoyed our trip to New York on November 16th. We were divided into three groups and had three buses. We visited the United Nations Buildings, Radio City, and N.B.C. Radio and TV Station. Remember "Heart of My Heart" and our melodious voices blended in harmony! The parts we remembered most were those beautiful U. N. buildings and our conducted tour throughout those nationally known modern structures. We cooperated with Mr. Hall fairly well, and appreciated the careful planning and the trouble he went through to make our trip successful. Our Christmas Card Sale was also successful, with Mr. Weaver taking the responsibility.

THEN ON December 29th we had our first class party, which turned into an evening of fun and friendships.

OUR LAST Soph Hop and the choosing of the May Queen came so quickly after that.

OF COURSE on May 20th and 21st we took our long-awaited trip to Washington D.C. We saw all the interesting sights and enjoyed ourselves so much that we hated to leave. Home and back to those dreaded final exams! But they were soon forgotten when we were the guests of the Class of '55 at the Junior-Senior Prom on June 4th. On June 6 we had bacclaireate, then we went to our Senior Dinner-Dance, and ended our fun at commencement on June 9th.

WHENEVER we look back on our years at Springfield High School, we still see work and tears, play and fun. We will always remember the friendship and cooperation of our teachers, and their guiding light.

# Station S. H. S.

Good evening friends, this is Cornelius J. Cougar, your roving reporter, with this week's edition of "Rolling Stone". This week I visited the town of Springfield where the 1954 class of Springfield High School held its tenth annual reunion banquet.

The banquet committee consisted of graduates LIDWINE WALTERS, nationally known parakeet trainer; ANITA MELCHIORRE, model for Charles Antell; JACK BELL, local truant officer; TOM EVERLEY, author of "How to Charm Girls"; and MYRLE EIKNER, lion tamer. The committee was headed by SARAH SANFORD, president of Springfield's Women's Club.

The chef, STEVE SZEMES, drew "ohs" and "ahs" from the group with his stylish preparation of JEAN BRISTOW'S famous potato salad, and NANCY LYNCH'S "never fail" chocolate cake which she plans to put on the market along with her other cake mixes.

Taking tickets at the door were DON KRESGE, keeper at the Philadelphia Zoo, DON TAYLOR, captain of Ocean City's Beach Patrol, and BETSY HELLER, editor of "Limping Love" magazine.

SHIRLEY PIGAGE, up and coming young vocalist, was accompanied by the well-known Royalties, several of whom were graduates who returned to play with their former group for the occasion. These were MORRIE HOVEN, vice-president of the Dupont Company; FRANK BEHRLE, designer of "Beautiful Homes"; JACK FITCH, general in the Foreign Legion; and ROD NORTH, general manager of The American Tobacco Company. The band was led by BRUCE MUELLER, popular saxophonist.

Among those present from the world of sports were DAVE WOODRUFF, agile third baseman for the New York Yankees; JERRY HOLSCHER, new olympic track champion; Tom Hapgood, recent winner of the Davis Cup; and DICK "The Crusher" HOWELL, wrestling champ of Rainbow Arena.

HORACE BEDWELL, United States Delegate to the United Nations. arrived with his competent secretary MARGUERITE WARNOCK. Also accompanying them were BETH HUNSICKER, United States Ambassador to Tahiti and JIMMY STRAIN, Secretary of Agriculture. Discussing world problems with these distinguished guests were NANCY VON GLAHN, first woman explorer of the Antarctic; FRANK MARCONI, who now resides in Hawaii as a toboggan salesman; and JUDY SCHAUB, just returned from Africa where she was teaching pygmies how to bowl.

Representing the Armed Forces were DICK NICHOLS, captain in the Air Force, and HARRY BORGARD, famous jet pilot who soon plans to fly to the moon in the space ship recently designed by JERRY ELLIOT. They were seen discussing aerodynamics with the famous woman jet ace, AUDREY SLOAT. Accompanying her were PEGGIE LOU AIKMAN, popular young Wac, whose chief pleasure is teaching soldiers how to play girls' basketball and IRENE WILSON who arrived modeling the new Spars outfit, which she helped to design.

The brilliant criminologist, LENORE BELL, was seen discussing her latest case, that of shadowing the notorious TONY CAMEROTE, with LEE MOSSMAN, well-known private eye; and BILL SPECKMAN, Springfield's Chief of Police.

Present from the entertainment world was the great Hollywood producer RONNIE GOEBEL, with DICK WELLS, director of his newest movie, "Drag Your Own Net" which stars FRED DREYER and ANNA MAE BRICKA. GORDON EBERLY, master of ceremonies at the Super Circus, was accompanied by ROSEANNA ACINAPURA, Mary Hartline's replacement.

PATSY HILL, star acrobat; CHARLES SONGSTER, one of the hilarious clowns; and WALLY POPE, who reported that his peanut concession is doing a booming business there.

Taking pictures at the banquet was FRANK BLOMINGDALE, assisted by GLENNA GILGER, society editor of the New York Times. Other representatives of this paper were VICKY PFLIEGER, writer of the "Advice to the Lovelorn" column; DEBBIE WILKINSON, society editor; and NAGELA DESIDERIO, secretary to the editor-in-chief.

Seeking the help of the famous business administrator, DON DIRREN, were DOTTIE BRESSER, lady barber; DON HARLEY, antique dealer; JOYCE KEDERIS and JACKIE MOORE, co-owners of the Rendezvous Club; CHARMAINE RYDER, manager of Elite Dress Shoppe; and SHERRY BROWN, owner of the Sherry French Perfume concern.

Quite a reunion took place among the former members of the F. T. A. who are now at work in various fields of education. HERTHA ADLER, first grade teacher at Scenic Hills was busy discussing with CAROL SCHOPF, director of grade school athletics, their problem child, DON EVONS, Jr. who seems to have taken after his father. CHRISTINE HERRMANN, principal of Oakdale, was surrounded by MARILYN PUGSLEY, P. T. A. president; JOAN ECKMAN, secretary of the group; and LILLIAN MacCAIN and LORRAINE DiLAUQA, committee chairmen. BETTE DENICE, first woman to teach calculus at West Point, was seen with CAROL JONES, who now lives in Australia where she is teaching kangaroos to walk tight-ropes. CAROLE SCIPIONE, who is sailing next week for Japan, where she will teach French and Spanish to the emperor's children, and JOAN MARCHESON, who is now starring in the television show "Our Miss Brooks", told the rest of the teachers that CAROLE SULLIVAN, who could not make the reunion, was now teaching in a one-room schoolhouse in the Ozark Mountains.

DICK GERNHART, along with his foreman ROY SINGLEY, flew in from his cattle ranch in California with BILL SHEFFER, Marilyn Monroe's press agent. Their trip was a fine one provided by their gracious T. W. A. hostess, JOAN WRIGHT, and the pilot, RONNIE BOSBYSELL. On the plane they met BOB SYLVESTER, Fuller Brush man, and TED DRABCZYK who boarded the plane at Milwaukee where he is the owner of a prosperous haberdashery.

NANCY HAWORTH, head nurse of Timbuktoo General Hospital, came with her assistant PEGGY ANN EVANS, and CAROL KLAMT, secretary of the famous plastic surgeon, JOHN HINRICHSEN.

The Bachelors' Club of America was well represented by the appearance of its recently elected president, CARL HOLT. He was accompanied by BILL TOLLINGER, chairman of the local "Be Kind To Dogs" week, and LOUIS DeSANTIS, local veterinarian.

SHIRLEY SCHIED, designer for Jacques Fath, was seated with her assistant ELAINE POESCHEL and her secretary AUDREY GERBER, former speed typing champion of the world. Also seated at this table were MARCIA MALZ, interpreter at the United Nations, DEBBIE LAPPIN, noted authority on etiquette, and CAROL FAIRLAMB, secretary of PETE WEIST, president of Prudential Life Insurance Company.

BART McCOURT, dexterous magician, arriving with MARTHA JOHNSON, talented young opera singer, told of their exciting ride in a taxi cab driven by BEVERLY BEACHER.

JOHN RUGGERIO, who runs the "Tunnel of Love" at RICHARD PLOTTS' amusement park, said that his sister ANGIE could not attend the reunion because she was busy at home caring for her young quintuplets.

JANET McNEIL, who is a trapeze artist with Barnum & Bailey Circus, talking with DOT LANDIS, owner of a used car lot and IRENE MILLER who is now writing birthday greetings for Hallmark Cards.

SANDY MOLIN, head of Young Life, found that she had predicted correctly when JOYCE SALLADA arrived late, as usual, still trying to catch up with Father Time.

Master-of-ceremonies, MARTY DELL, recent replacement for Red Buttons, called on DON PASQUELLA, prosperous diamond dealer, to propose the toast. Also seated at the speaker's table were BERT ADLER, winner of the Nobel Prize for Chemistry; AMAND HAHN, who now heads the Einstein Laboratories; and BILL PARKER, head of the Investigating Committee on Mink Coats in Washington, D. C.

The enjoyable evening was climaxed by a brilliant speech delivered by BOB SORENSON, Pennsylvania's distinguished senator.

So friends, this is your roving reporter, Cornelius J. Cougar, signing off with that old saying: "Always face the future with a smile". You will be well rewarded.

## Seniors Present "Melody Jones"

A comedy-drama in three acts titled "Melody Jones" will be given by the Senior Class on March 5th and 6th at 8:15 o'clock sharp. The play is under the capable direction of Miss Edith Bigelow.

"Melody Jones" is the story of the kind of girl every girl wants to be, because she's honest, straightforward and uninhibited; the kind of girl every boy likes because something about her starts him singing; the kind of girl every father adores because she gives him headaches and heartaches. But all the joy went out of Melody and Melody's family that evening at the party when he cousin, Elaine, in a fit of rage and jealousy, tells her she's adopted. This is the story of a young girl's laughter and tears, a story to make one proud of American youth.

The cast of characters consists of six males and seven females.

## Junior Hi

This newly organized group was formed in September 1953. The band consists of 7th, 8th, and 9th grade students, who because they must attend afternoon sessions, have a difficult time meeting their practice schedule. The students have taken advantage of the small portion of time they do have, and have produced wonderful results. Their first big event was the Band Concert, which was a great success.

The Cougars of '53 had a very successful year against some real tough competition. Under the guidance of Co-captains Morrie Hoven and Dave Woodruff; Coaches Evan Koons, Harry Bell and Albert Jones, the Cougars had a 4-4-1 season. Games this year against our new opponents, Haverford and Radnor, proved to be the toughest competition with good teams and good coaches.

The season started early for the boys with double session practices starting August 31. The good turnout of over forty boys soon fell into line competing for the varsity positions. All worked very hard.

The practice sessions, a great many of which were held in 90-100 degree heat, were highlighted by several scrimmages----with Ridley Township H. S., Glen Nor H. S. and Eddystone H. S. In spite of the weaknesses left in the backfield by the leaving of co-captain elect Larry Sault and promising half-back Art Raymo, Coach Koons still produced one of the finest offensive units in the country.

Co-captains elect for 1954, Bill Carpenter and Dick Chulupa helped a spirited Cougar eleven conquer impressively, Prospect Park, 41-0; Swarthmore 7-0; Lansdowne 20-7 and Maple Newtown 20-0.

## *Junior Varsity Hockey*

Hockey Team, 1953

A familiar sight at Scenic Hills School this year was the hockey team. In the beginning of the season 45 girls appeared to try out for the team but after about two weeks the squad was cut down to 29, 13 on the Varsity and 16 on the Junior Varsity. Every afternoon after school at two-thirty the girls would trudge over to Scenic Hills for their daily practice session.

Bruised legs and sore muscles were common ailments during the first few weeks of practice, but the reward was greater than the price paid. Our final record was 7 wins and 1 defeat.

Before the opening of the season, we had three hard fought scrimmages which resulted in victories for the team. However, in our opening game, the team bowed to Swarthmore 2-1 for the only defeat of the season. Undaunted, we bounced back to defeat Nether Providence 4-1; Prospect Park 1-0; and Ridley Park 1-0. The next game scheduled for the team was with undefeated Media. This game was supposed to be the hardest on our schedule but we swept over them with a score of 5-1. Raring to go, we went on to beat Marple Newtown 3-0; Clifton 7-2; and Yeadon 5-0.

One can not mention the hockey team without mentioning Miss Bruschi who coached the team to a victorious season with only four lettermen returning from last year. Congratulations to a fine team with a fine coach.

### REBOUNDS

If you saw the lights burning late in the gym this winter, it was probably the girls' basketball teams working out. In spite of the confusion and tight practice schedule, the girls worked hard and came through with a very fine season.

About sixty girls competed in trying out for the teams. From this number thirty were chosen to be on the varsity, which was composed of twelve girls, and the J. V., which numbered eighteen. The girls should be commended for their fine showing of sportsmanship, hard work, and fine team spirit. To Miss Brusch goes our commendation for a successful season and a job well done.
